

# HURRY! Don't Let This Opportunity Go Up The Flue...

Scott Ruch  
Wizard of Comfort

*You may not realize this*, but even a newer furnace, that wasn't installed correctly, could be costing you precious dollars every month. Not to mention how much more your old, outdated furnace is draining your funds.

Take advantage of my Winter Special, and we'll make sure your furnace is running properly, and achieving optimum performance. We can also talk about the advantages of replacing your heating system with one that makes the most sense for you in these crucial economic times.

**WINTER SERVICE SPECIAL**
